25X1 DATE OF INFO.

THIS IS UNEVALUATED INFORMATION

25X1

In early June 1952.

25X1

25X1

Ernst

Wollweber, State Secretary for Transportation, received a secret government order, according to which he was to make preparations for a suspension of interurban railroad traffic in the Western sectors of Berlin on M-day. In order to maintain traffic connections in East Berlin, 300 busses from the Soviet Zone of Germany are to be assembled in Berlin-Ostschoneweide. Erwin Kramer, Director General, Railroads, has not been informed of these plans.

25X1

* [] Comment. The report indicates that the preparations for an elimination of the Western sectors of Berlin for interurban rail-road operations are to be made in the form of a mobilization plan. For reports on preparations, []
